

Welcome to Hillview Academy
Curriculum Night for the 2020-2021
school year!

My name is Jessica LeGrow and I am
the new junior high teacher at Hillview
for English Language Arts 6-9, Core
French 4-9 and Home Economics.

Homework

- It is the responsibility of students to ensure that homework, assignments, projects, and review is completed on time.
- Any work that is not completed during class time is required to be completed as homework.
- If students are absent, they can check the google classroom associated with their class or e-mail me to get the missed work.

It is important that we work together during the unprecedented time to ensure student success. The health and safety of our students and staff is our top priority at Hillview Academy.

Feel free to reach out at any time during school hours by phone (709-653-2529) or email (jessicalegrow1@nlesd.ca).
