1. Welcome/Call to Order - Mr. Horne welcomed everyone and called the meeting to order at 4:05.
2. Introductions/Positions - Council members were introduced. We then elected positions. Congratulations to our new chair, Nicole Collins. Congratulations to our new secretary Karla Brown. Call out for a couple community members
3. School Council Role - Mr. Horne discussed the role of the school council including our responsibilities.
4. SDP - We discussed School Development.
5. Fundraising - We discussed fundraising, including looking into Logoworks for school apparel, hopefully to have before Christmas. Chairperson Nicole will grab samples to properly size for our school community.
6. Mr. Horne presented the Principal's report including reporting on Dot Day, the Terry Fox Run, Orange Shirt Day, our Leadership committee, School Houses (Teams), and Pep Rallies. All incredible, positive things happening and great learning and growth in our school. Mr. Horne also reported in general on challenges we have experienced, including bullying, vandalism, fighting, and disrespect in both school and the buses. We had a discussion about kindness and wanting to positively influence students so they

choose to be kind and respectful to each other, their teachers, and all people in our school. We want students engaged in their education and learning, and to know we care about them, their well-being, and their success. We want students to want to come to school, to look forward to school, for school to be the place they want to be.

7. Microwaves - After a discussion of how we can logistically make this happen an Ad-Hoc committee has been struck. The committee's mandate is to see if this is feasible and search for solutions to implement this safely and within the time constraints of our lunch. The committee will meet and report back to us.
8. Music Council - Mr. Horne explained our music teacher, Mr. Hartery, is seeking people who would be willing to volunteer on a music council to assist with delivering our music concerts etc. this year. Council members have some people in mind they will reach out to. It was also suggested that we look into possibly adding drama/comedy sketches to our repertoire this year. This will be brought to our student leadership team members.
9. Skills Canada - Ms. Goulding reported there is a Skills Canada competition coming up in November in St. John's. This would be an expensive venture. We discussed fundraising, including bingo. Council will look into this, including licenses etc.
10. Next meeting - November 17th @ 5:30
11. Adjourn 5:19
